

# FESSH Travelling Award 2019

**Dr. Anette Chemnitz**  
**Hand Surgery Unit**  
**Skåne University Hospital**  
**Malmö, Sweden**

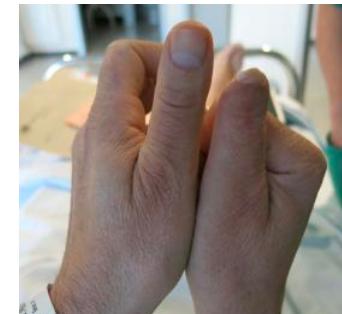

- ❖ Department of Plastic and Reconstructive surgery, University Hospital "La Paz", Madrid, Spain
- ❖ Hand and Microsurgery Unit, University Hospital "HM Montepríncipe", Madrid, Spain
- ❖ Orthopaedic and Trauma Department, University Hospital "Infanta Leonor", Madrid, Spain
- ❖ Participation at the XXIV SECMA (Sociedad Española de Cirugía de la Mano) meeting, Tarragona, Spain

# Department of Plastic and Reconstructive surgery University Hospital "La Paz" , Madrid

## Objectives

- ✓ Expand my knowledge in the treatment of brachial plexus injuries
- ✓ Learn more about reconstructive surgery for restoration of function in the upper extremity
- ✓ Learn more about burns affecting the upper extremity, initial treatment and treatment of sequelae
- ✓ Study a different health care system, exchange knowledge and create a platform for future, internacional collaboration

*Toe to hand transfer for thumb reconstruction*

# Hand and Microsurgery Unit University Hospital "HM Montepíncipe", Madrid

## Objectives

- ✓ To learn more about examination and investigation of hand and elbow disorders
- ✓ To improve my knowledge on how to take decisions about non-surgical versus surgical treatment
- ✓ To study a different health care system, including how the private sector works in Spain
- ✓ To exchange knowledge with professional colleagues and create possibilities for future, clinical and scientific exchange

*Arthroscopic ganglion cyst excision*

*Dr Pedro J Delgado Serrano and Dr Belén García Medrano*

# Orthopaedic and Trauma Department University Hospital "Infanta Leonor", Madrid

## Objectives

- ✓ To learn more about examination, investigation and treatment of distal radius fractures with or without associated injuries, as well as isolated carpal ligament injuries
- ✓ To improve my skills in arthroscopically assisted surgery
- ✓ To participate in the second edition of the Anatomical Dissection and Osteosynthesis course, in collaboration with the University of Complutense, Madrid
- ✓ To meet, receive and share knowledge with brilliant companions and thereby contribute to the further development of hand surgery in Europe

*Arthroscopically assisted reduction of an intra-articular distal radius fracture*

*Reoperated carpal tunnel syndrome with a lumbrical muscle flap*

*Dr Fernando Corella Montoya and Dr Montserrat Ocampos*

# SECMA meeting Tarragona, April 24th-26th, 2019

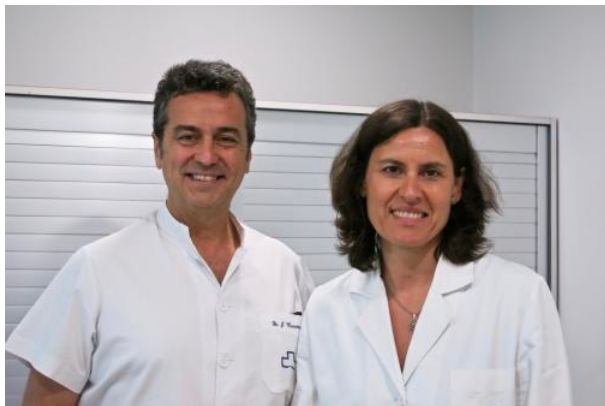

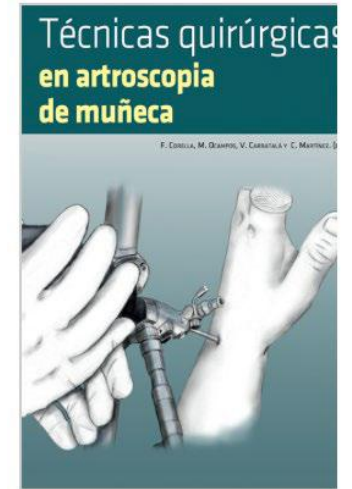

Dr Marc Garcia-Elias Cos

Organizing committee

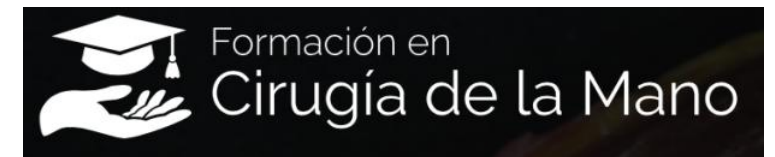

New president elected

Dr Joaquim Casañas Sintès, president SECMA

Symposium

Excellent source of education for hand surgeons

# Acknowledgements

- ✧ All the staff of CPLT "La Paz", for receiving me and for incorporating me in their daily work
- ✧ The team of Dr Pedro Delgado and himself, for inviting me and for sharing their brilliant professional skills, as well as many laughs
- ✧ Dr Fernando Corella, for being a role model as a clinician, teacher and investigator
- ✧ Dr Joaquim Casañas, for inviting me to Barcelona, and for sharing his concepts in treatment of peripheral nerve related problems
- ✧ FESSH and the Memorial Foundation of "Börje Gabrielsson", for giving me economical support to realize a dream
- ✧ Dr Lars B Dahlin, for believing in me and pushing me forward

Regarding Dr. Anette Chemnitz, born September 11, 1973

Dear Sirs,

This letter confirms that Dr. Chemnitz has been incorporated as an International Fellow in the Orthopaedics and Traumatology Department (hand surgery unit), of the Infanta Leonor University Hospital in Madrid, Spain, during the period May 6- May 29, 2019. She has participated in the outpatient clinic and attended several surgical procedures with special interest in wrist arthroscopy.

She has also participated in the second edition of the anatomical dissection and osteosynthesis course in the Anatomy and embryology department of the Complutense University of Madrid.

Sincerely Yours,

---

Dr Fernando Corella Montoya  
Associate Professor Complutense University of Madrid  
Orthopaedic and Trauma Department Infanta Leonor University Hospital  
Madrid, Spain

**Regarding Dr. Anette Chemnitz, born September 11, 1973**

Dear Sirs,

This letter confirms that Dr. Chemnitz has been incorporated as a fellow, at the Department of Plastic and Reconstructive Surgery, University Hospital "La Paz," during the period September 3rd 2018- April 5th 2019.

During this period Dr. Chemnitz attended surgical rounds and operating theater, taking part in brachial plexus surgery, reconstructive microsurgery of the upper limb, congenital hand surgery, and burns of the upper extremity.

Among the competences that she achieved we observed high performance in planning microsurgical complex cases of the hand, adyuvant surgery for obstetric brachial plexus and techniques available for secondary surgery after replantation.

We can recommend Dr. Chemnitz as an excellent member of any surgical team.

Sincerely yours,

Dr Luis Landin Jarillo

Training Director

Dr César Casado Pérez

Chief of Medical Service
