Kaplan Hand Institute
Hospital de Barcelona

Objectives

- To expand my knowledge in hand surgery with a focus on wrist arthroscopy
- To learn new approaches to well established diagnosis
- To observe a different clinic's routine including clinic hours and surgeries
- To establish and consolidate a professional relationship with wrist surgeons

Surgical experience:

Thumb UCL repair, trigger finger release, carpal tunnel, phalanx, metacarpal and distal radius plating, various wrist arthroscopy, wide awake hand surgery, carpal instability, basal thumb arthritis, mallet finger, finger tumors resection.

Acknowledgements:

I would like to thank to FESSH for this opportunity and for the financial support. I would also like to thank all the team from Kaplan Institute for sharing their invaluable knowledge, technical expertise, scientific work and kindness with me. I gained an important improvement in my personal experience on Upper Limb and Hand Surgery.
