

FESSH Travel Award
01.01.2023-02.28.2023
Dr Piñal Clinic: Hand and wrist surgery and
microsurgery
Madrid & Santander

Dániel Koczka MD
Markusovszky Teaching Hospital
Szombathely, Hungary

Objectives:

- Expand my knowledge in general hand surgery
- Focus on wrist arthroscopy, specially on acut fractures
- To learn more about examination and decision-making of hand disorders
- To observe a high level of clinical routine

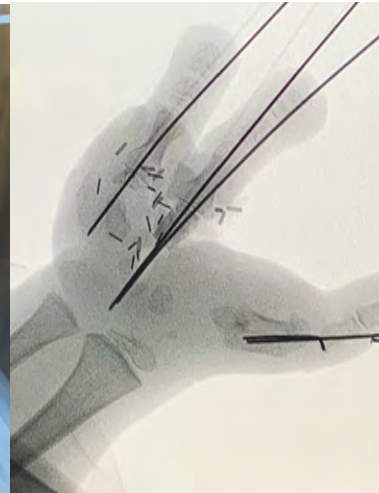

- Experience:

- I have seen more than 50 operations requiring high level lexical and manual knowledge
- In the office, i have seen more than 400 patients
- We have presented 3 papers weekly within journal club
- Had some joint programmes, dinners

- Acknowledgement:

- I would like to thank to dr. Pinal, who kindly welcomed me
- Thank to FESSH for the financial support

FELLOWSHIP CERTIFICATE

Madrid, 28th February 2023

This is to certify that **Dr. Dániel Koczka**, from Markusovszky Teaching Hospital in Szombathely has been visiting our unit between the **1st of January to 28th of February 2023** doing a fellowship in the private practice in Santander and Madrid, training in arthroscopic and microsurgical hand and wrist reconstruction.

During his time with us he has shown great interest to improve his knowledge in hand surgery and he has attended all our activities: office, surgery, and clinical session in both clinics in Santander and Madrid.

Dr. Francisco del Piñal
Head and Director
Instituto de Cirugía Plástica y de la Mano
